Empowering change through education

Foreword

"As we enter 2025, the PMI is excited to continue our mission of 'empowering change through education'. Our Global Innovation Centre stands as a hub of thought leadership and collaboration, designed to tackle the industry's most pressing challenges—identified through pioneering initiatives like the Lifetime Savings Initiative.

We offer you the opportunity to partner with us in driving impactful conversations and creating lasting solutions. Whether through strategic partnerships, sponsorship, exhibitions, speaking at our high-profile events, or collaborating on innovative projects, your leadership and expertise will help shape the future of pensions.

Join us as we push the boundaries of innovation, inspire industry change, and empower both current and future leaders to secure better outcomes for scheme members, society and the planet. We look forward to working together in 2025 and beyond."

Insight Partnership - £27,500

The PMI Insight Partnership is a carefully designed program to help partners boost their brand visibility. This is achieved by sharing key messages, demonstrating thought leadership, and showcasing expertise across various marketing channels. These channels include web, email, editorial content, as well as speaking opportunities at events, roundtables, and online broadcasts.

This comprehensive approach ensures our partners have a perfect platform to reach and engage with both our esteemed PMI membership and the wider pensions industry. Thus, the PMI Insight Partnership serves as a valuable tool for making strong connections and fostering relationships in the pensions sector.

PMI Academy Partnership - £17,500

Back in 2021, we initiated the PMI Academy, a hub for all our educational programs. This builds on our history of successful qualifications, with the Academy providing added training to our members, aided by our sponsoring partners.

The PMI Academy Partnership is a chance for partners to gain visibility by offering training and helping our members with crucial issues. With the PMI Academy, you'll have the opportunity to interact with our members using all the tools PMI can provide. These include Online training sessions, emails promoting your session and role as a trainer, features or ads in PMI Magazine, and digital case studies. With this unified strategy, you can reach and engage with all of our 7,500 members and our broader network of Pensions Professionals.

Events Accreditation

We accredit a range of events, one-off events or regular sessions, online learning programmes or web-based video, internal or commercially focused. We accredit programmes that contribute directly to raising standards in the field of pensions, employee benefits and retirement savings.

PMI Accreditation is distinct from any process of verification or approval that may be undertaken in connection with the delivery of our qualifications. PMI Accreditation does not confer any qualification or membership status on those who undertake accredited programmes. The period of accreditation is linked to the nature of the programme but for ongoing programmes, it is reviewed at least annually.

Benefits of being accredited:

Package includes:

- Ability to use the 'PMI Accredited' logo in conjunction with accredited programmes
- An accredited programme can be described as a 'PMI Accredited Professional Programme'
- Where relevant, 'PMI Accredited' programmes will meet the requirements of one or all of the various PMI CPD programmes
- Independent recognition of high quality which could be shared with clients and potential clients
- Meeting the accreditation criteria provides a robust quality assurance process
- Closer association with the PMI and our goals, and recognition on our website and in PMI News
- **Full day agenda = £999**
- **Half day agenda = £599**
- **One to two-hour agenda = £299**
